### INNOVATIVE. DURABLE. TRUSTED.

Champion Tool Storage Secure Vending PRO Series was designed to handle all of your secure after-hours pick up. They also provide safe transactions maintaining separation for your employees and customers. These units are made to handle demanding environments and are built to last. Proudly made in the USA, the SV PRO Series is also built to withstand the harsh conditions of the job site and to protect the material and tools you use every day. Our units are constructed with thick gauge welded steel housings and doors with a durable powder coat finish and all stainless hardware.
